

COVID-19 Rules and Restrictions River Rock Cottages

1. If you are sick, please stay home. If you are showing obvious signs of illness, you cannot stay. This is for the safety of everyone.
2. Social distancing is mandatory. Please remain at least 6 feet apart from people who are not in your party. If you cannot maintain that distance, you must wear a mask. We don't have many public areas, but you might not be able to keep proper distance from another guest in the parking area or on the docks.
3. We have a community shed where we keep kayaks and life jackets for our guests to use. Due to this situation, we are not able to offer these at this time. We are hoping to work out a solution so they can be used this season.
4. We provide hand soap at every sink for frequent hand washing.
5. We want every guest to stay healthy and have a wonderful vacation. We will terminate your stay if these rules are not followed.
